Last weeks cover-boy Clay Aiken's "Invisible" (RCA) is helping to launch this American Idol to new heights. In fact the single is doing so well not only with AC, Hot and mainstream stations, that it's already propelled this new idol to a #1 CD album all across America. Christina Aguilera has one of her best single to date out at radio. "The Voice Within" (RCA) further showcases why she is one of the best female vocalists out there today.

It's another blistering week for newcomer Vincent James. His "One More Night" (Dipop) is really creating quite the buzz here at the format and the potential of this being a value to your listeners is endless. Abenna is back with another strong week as their "Song 4 U" (Nkunim) closes out a number of additional believers. Speaking of believers, there are a number of stations that "believe" in the new single from Cosmic Ray. His latest, "I'm Still In Love With U" (Gold) picks up an impressive number of stations that add in making his presence bolt high up on the "most added" chart this week. Jeff Laine continues strong with his "Waiting for You" (JLM) as it gets closer to the main chart in a rather short period of time.

It's another great week for D.K. Davis & the Sharks and their "Don't Cha Know" (Route 66). This is a real fun record right out of the "beach music" scene that deserves your immediate attention.

Christia Mantzke continues to "impress the rest" with her latest "I Hate It" (EMI). Taken from her CD album entitled, "The First", here is a real mix of brains, talent and beauty. Speaking of beauty, you have to marvel at Sheryl Crow who is kicking some major butt with her, "First Cut Is The Deepest" (A&M/Interscope). This track looks to have number 1* written all over it.

The early words with respect to our Future Hits #15 places this sampler as the "best ever". It is a mix of new and original holiday music and singles set to break in 2004. You can expect to have it on your desk in the next few weeks.

One of the new records that's a definite "one to watch" is by the act Clear (Raw Naked). Their new single "Hold You Close" tops the most added chart this week. There is a real strong buzz on this one and look for a lot more action to come. Another hot tamale this week was Ellee Ven and the word on the "streets" is that it's a hit.

Be on the lookout for new releases by New Era featuring the Young Lions . . . this is sure to get your attention!
