AC radio is getting set for the holiday programming schedule that will no doubt start in "full force" by next week.

There is still a lot of "business as usual" this week however that keeps regular AC programming alive and well.

It's another great week for Holly and her latest offering "You Know Who I Am" (Holly & Lilacs). James Guest keeps making strong moves with his excellent "LoveYou" (Neo Spirit) and Christia Mantzke has another chart busting week with her new single, "I Hate It" (Immutable). We caught her show this weekend at the Viper Room in Los Angeles and she was amazing! Newcomers Backyard have another "most added" week on their hands with their debut release, "Little Girl" (Delta) and Cosmic Ray gets closer to Chartbound with his new, "I'm Still In Love With U" (Gold).

It's another major week for the new "Things We Do" (MPR) by Manjo Potts. The track is also featured on New Music Weekly's Future Hits #15 that you will find in this issue of the magazine. Also on FH #15 is Pat Schiller's jazzy cool, "You Took Your love" (BTE). Also make sure to check out the new single, "Turn Another Page" (Abacab) by Morgan Paul that

is sure to do very well at the format & the new MCT cut, "All About You" (Coast) is nothing short of brilliant. We also have some Christmas gems on our Future Hits #15 that you should consider that include "A Gift" (Island Pop) by Justin Young and of course "Christmas Time Without You" (Weir Botchers) by Michael Damian is a must. Will Clark has a very strong holiday offering with his track, "Christmas Time Of Year Again" (Shakesong) and if it's fun you want, you can't do any better than "Can't Get Home For Christmas" (PP) by Phoebe Carter.

Grandville Miller from KAML has mixed emotions about Clay Aiken. "We have added the new song "Invisible" by Clay Aiken but by the time you print the magazine it will be dropped, burned and buried in the furthest most desolate place in the world", he remarks. "Clay Aiken is NOT a musician, he is however worthy of airplay in Iraq to weed out the last of the Saddam supporters! (Or would that violate the Geneva Convention on Cruel and Unusual Torture)", he adds. Please tell us next time what you really think.

Also in this issue you will find a copy of Brant Miller's latest Christmas release entitled "A Child's Christmas Prayer" (Wizard). This comes on the heels of his other very successful AC release "Fly and I" (Wizard).

A Chicago area native after much deliberation has finally consented to let the rest of us experience his gifted talents that he has harbored for so long. Allow me to introduce singer/songwriter.

Pat Schiller combines the jazzy rhythms of Peter Allen with the lyrical, piano-based melodies of Billy Joel to create in "Living A Dream" a winning assortment of songs encompassing stylistically everything from Rhythm & Blues, to Rock, to a taste of the Basa Nova.
