## Inside A/C

by: Larry Weir

It's another strong week at AC radio especially for Christmas Music. "Christmas Time Without You" by

Michael Damian (SCS) gets another week in the "most added" column for a blockbuster week. "Rockin' Santa Clause" by Native Mind continues for a very "rockin'" second week. "It's Christmas Time Of Year Again" (Shakesong) by Will Clark is also proving a real holiday winner. All of the above mentioned are featured on our New Music Weekly Future Hits #15 music sampler.

Vincent James gets a much deserved chart debut with week as his "One More Night" (DiPop) continues to impress radio. Rick Cortes continues to impress those female demos with his, "Just You" (rickcortes.com) and Cosmic Rays is also moving up fast with "I'm Still In Love With U" (Gold). MP2 makes a strong debut with their "Turn Another Page" (Abacab) and it's another great week for Manjo Potts and their "Things We Do" (MPR). Both tracks are on Future Hits #15, so there's no excuse for not adding them to your list.

Brian Brawner from WWIS/FM (Black River Falls, WI) steps into

the recording artists chair along with his alter ego Rodney The Reindeer for the debut release of "It's Hard To Be A Reindeer At Hunting Time" (www.angelfire.com/crazy2/rodneythereindeer). The song got a huge boost "out of the box" getting added this week to the very famous Dr. Demento radio show! Look for the MP3 file on this great song to be sent to you via New Music Weekly.

Recording artists Ellee Ven is off and running with her hit single "Feels Like Something New" (Hot Sauce). She also sent us a note this week from her label. "Hot Sauce Records extends their sincerest thanks to everyone who lent their time and support to the 2nd Annual Give Into The Groove. This benefit for the Los Angeles Free Clinic was a blast. Thanks to sponsors like Bacardi, Sephora, Forster Brothers Entertainment, BMG Music, FredaLA.Com, House of Blues and Dirty Girl, over \$7,000 in donations, goods and services were collected for the cause. We feel proud of the awareness we've brought to the Los Angeles Free Clinic and look forward to seeing you all next year", adds Ellee. Some of us at NMW were at this event and it was quite amazing!
