Inside A/C

by: Larry Weir

Simply Red continues where they left off last week by being "simply terrific". "You Make Me Feel Brand New" (simplyred.com) picks up amazing speed once again and it has just about closed out the entire AC panel out. With this kind of a start you have to think #1, and at a very rapid pace. It's another strong week for Denny Lewanrock and his "You are My Song" (Filet Of Soul). Denny is "off like a rocket" and look for some great action in the weeks to come for this excellent track. The Limits continue strong with "Don't Steal My Heart" (Luxury) and it is yet another very strong week for Seattle artist Susan House. Her "Angel Eyes" is on the move and has all the indicators of a "big hit".

Music director Justin Ganeau from WSNN (Postdam, NY) always seems to be in the thick of things when it comes to the weather. "I can't believe it, we've had three days in a row now where the temperature has been above zero! The coldest temp recorded here, I believe, was 26 below. But, we had reports closer to the mountains of 30-40 below zero. Oh well, just another North Country winter. I hope the rest of you are warmer than we

are", he adds. Well Justin, we hate to even tell you what the weather is like today in Southern California but right now it's about 70 and moving up. Don't you guys just hate us for that?!

Are you set and ready for Valentines Day? Time get out some of the real AC hits to spin. On your desk is the new one from Bruce Sudano. "Where Would I Be" (brucesudano.com) is a ballad from Bruce that screams "hit"! The follow up to his already successful "Le Imagine Café" from his Rainy Day Soul CD is about as good as it gets and you can expect a fast rise up the charts in the coming weeks for this track. Norah Jones is back with "Sunrise" (Blue Note). It's so good to hear her back on the radio after a bit of an absence but the wait is now over.

Cosmic Ray continues to win believers for his "I'm Still In Love With U" that is also tailor made for Valentines Day and Vincent James keeps his move to the "top of the charts" with "One More Night" (Dipop). MP2 and their "Tun Another Page" (Abacab) has another strong week at radio and Backyard's "Little Girl" (Delta) is getting very close to hitting the Top 30. For the "rest of the story" you can head on over to this weeks AC40 National Snapshot"
