## Inside A/C

by: Larry Weir

Seal is back with a new single that is getting some major respect at AC radio these days. "Love's Divine" (Warner Brothers)

is very strong and it should help to put this very talented guy back on track. If you want to talk about talent, let's talk about Bruce Sudano. This week his "Where Would I Be" (Purple Heart) racks up some high debut numbers to put him at the top of the "most added" chart. Just in time for Valentines Day, he brings a warm and loving ballad that should see him back on the very top of the AC40. "You Are My Song" (Filet Of Sound) by Denny Lewanrock continues to have another very strong week. Other notables in their early stages include Susan House with her "Angel Eyes" (SHR) and The Limits "Don't Steal My Heart" (Luxury).

One of AC radio's early pioneers Andy Williams is appearing in "My Favorite Duets," a special featuring a spectacular array of guest stars performing with the legendary singer, will be airing on public television stations across the country between March 6<sup>th</sup> and March 21<sup>st</sup>, 2004. Andy hosts this 60 minute special

reliving some of his most cherished memories and featuring personally selected duets showcasing various musical genres with top name entertainers from his long running TV variety show, "The Andy Williams Show." The Emmy award-winning series aired on NBC for nine years starting in 1962. Some of the highlights of the special include full-length performance duets with Julie Andrews, Pearl Bailey, Tony Bennett, Ray Charles, Bing Crosby, Sammy Davis, Jr., Judy Garland, Lena Horne, Bossa Nova king Antonio Carlos Jobim, Roger Miller, The Osmond Brothers, Peter, Paul & Mary, and Simon & Garfunkel. All of these performances have been digitally remastered from the original master tapes.

Also a guest on the show is Johnny Mathis, who not only is seen in interview done just for this special. "Andy Williams: My Favorite Duets" is a presentation of LSL Productions. Going for adds this week will be new recording artist Paul Geng with "Don't Take Kindness For Weakness" (PGR). Make sure to check this one out as it fits the format like a glove. For more AC action, head on over to our AC40 National Snapshot.

## A/C Up & Coming
